

Business Owners

Income tax rates are on the rise...

**Keep more
of the money
you make.**

Maximize your tax savings
with a **Danziger & Markhoff**
custom retirement plan

Here are the 8 main benefits of a Danziger & Markhoff Custom Retirement Plan:

- 1** - Plan contributions are fully tax-deductible and not subject to the Alternative Minimum Tax (AMT)
- 2** - You save money by reducing taxes and contributions made for your staff
- 3** - Plans are custom-designed specifically to your needs and goals
- 4** - Support by our attentive staff dedicated to your plan... not just an #800 number to call
- 5** - The plans are highly flexible and can be adjusted to changing situations and opportunities
- 6** - We have no conflicts. We do not make investments, nor do we sell any type of insurance
- 7** - We keep your plan updated and compliant with current laws
- 8** - Danziger & Markhoff's plans are legally sound and provide creditor protection

Danziger & Markhoff is one of the most experienced retirement plan development firms. We have a complete staff of lawyers, actuaries and plan administrators in-house.

YES or NO?

If you have a plan:

Send us the following information for a complimentary proposal

- A copy of current plan document or Summary Plan Description
- Most recent valuation report
- Employee Census

If you don't have a plan:

- Provide us with your Employee Census for a complimentary proposal
